

sanlamere

singular dedication to global innovation

Want that little bit of Aussie sunshine everyday?

Then you need to install the amazing Australian made IXL Tastic in your bathroom!

Combining all of your heat, light and ventilation needs into the one, easy to install, easy to maintain safe and secure ceiling mounted unit, SanLamere have solved all your bathroom problems whilst saving you money! These fantastic units manage your total bathroom requirements for as little as £0.02 per day and can be installed in as little as 30 minutes!

All Tastic units come with a 5 year in-home warranty and even a no-nonsense 2 year replacement guarantee on the GE heat bulbs! Every Tastic is made of 100% recyclable materials and is RoHS and CE certified; just as you'd expect from the UK's only importer/distributor created solely to supply ethically sourced energy and water efficient products!

Tastics – a little Australian sunshine everyday!

The IXL Tastic – Heat, light and ventilation in one unit – simply saving your money!
