Easy Duct Smart Switch Range of IXL Tastics

Range Features:

Proudly made in Australia to strict quality controls the IXL Tastics boast a 5 year warranty on the unit and 2 years on the heat lamps. The Easy Duct Smart Switch range of Tastics have genuine IXL heat lamps and a 100 Watt frosted centre globe for ample bathroom lighting.

The Easy Duct models vent steam and odours outside the home via a specially designed ducting system. The Easy Duct range features an advanced in line ventilation system that improves performance and flexibility. The side mounted ducting reduces installation clearance to 230mm allowing for more flexible application in flat roofed or multi-level homes.

The Easy Duct models feature back draught prevention flaps making them suitable for use in 5 star energy rated homes.

Smart Switch is an innovative addition that makes ducted Tastics even more versatile. Smart Switch is a remote control that allows wireless operation of all functions from within the bathroom.

Range features include:-

- Remote operation of all Tastic functions
- Engineered to seal when not in use - prevents back draughts
- 40 minute auto-off function on heat lamps
- 20 minute fan auto-off function
- 100W frosted centre globe
- Pack includes
 - 6m x 150mm flexible duct,
 - 2 x interior/exterior grille
 - flex and plug
 - wall switch
- Fascia clips off for easy cleaning, dishwasher safe
